RE: Recommendation for Mr. Anas Amir

I have known Mr. Anas Amir in the capacity of his course teacher in (EE-394 Digital Signal Processing).

I understand him as a motivated person. In academic terms he would rank in top 15%.

He likes to be given responsibilities which he fulfills to Good levels.

His communication, analytical and writing skills are Good.

He has shown interest in higher education abroad and I too find him capable enough. Therefore, I am writing to recommend him for your support.

Please don't hesitate in contacting me, if you require any further information.

(Prof. Dr. Saad Ahmed Qazi)
Professor & Dean (ECE)

NED University of Engineering & Technology

Department of Electrical Engineering

Dated: 24-04-2025

LETTER OF RECOMMENDATION

This is to certify that Mr. Anas Amir S/o Syed Muhammad Amir Bukhari has been my good student for the last four years in the Department of Electrical Engineering at NED University of Engineering and Technology.

I have taught him the following course:

POWER GENERATION (EE-414)

Being a student, I found him as very obedient, hardworking, intelligent, diligent student with a nice and friendly personality. He was one of the good students in this course. He does have good communication skills, leaderships ability and necessary intellectual and analytical abilities required at graduate and Doctoral level of studies.

In my opinion he does have potential for graduate studies and I recommend him strongly for Postgraduate studies.
